Regional School Unit Budget Adoption Process

The budget process is a two-step process, which requires approval at both steps in order to pass it.

The RSU budget complies with the required 11 categories, or "cost centers", and the accompanying revenue articles that are contained in the consolidation law 20-A § 1485(1)(A). The contents of the 11 "cost centers" are described in the Chart of Accounts required by the Maine Department of Education.

The regional budget adoption meeting will be held on Wednesday, July 31st at 7:00PM in the Cafeteria at Nokomis Regional High School.

Those present at this meeting vote on each of the 11 categories, or "cost centers", and may increase or decrease the amounts by majority vote.

Within 30 days, a "validation" referendum must be held in all RSU 19 towns. This involves an "up or down" vote (YES or NO) on the total budget adopted at the July 31st meeting. The amount determined at the Regional Budget Adoption Meeting will be posted at each polling location.

The regional validation referendum will be held on Tuesday, August 20th, 2013 and voting will be in each town at the normal polling places. Absentee ballots will be available from town offices, after the July 31st meeting.

Important Budget Information

STATE FUNDING:

In FY 2013, the State of Maine provided **\$13,530,794** in General Purpose Aid (GPA) funding as subsidy to the eight towns. For FY 2014, the enacted state subsidy to the RSU (with funds to pay Maine State Retirement shift, locally) is estimated to be **\$14,206,174.18 a \$241,800 INCREASE**. \$752,054 of this figure is for state payment of debt service for the prior middle school construction projects. The district does not receive this money. Instead, the state pays it to the bond bank on the district's behalf. Thus, in reality, the state is providing **\$13,454,120/18** for use toward other operational areas of the RSU's budget in 2013-2014.

RSU 19 PROPOSED SPENDING PLAN FOR FY 2013-2014:

The approved operating budget for FY 2012-13 was **\$23,324,296**. The proposed spending figure for FY 2013-14 is **\$22,650,503** (includes a new general obligation bond payment and "shift" of 2.65% of Maine State Retirement contribution to the LOCAL Unit). Overall proposed spending is **\$673,793 (or 2.9%) LESS** than FY 2012-13.

*Note: Without the new general obligation bond (annual) payment of \$386,400 (the first of ten), and the Maine State Retirement "shift" of \$309,000, the operating budget for next year would be **\$21,981,493**, which is **\$1,342,803 (or 5.8%) LESS** than FY 2012-13.

Local Allocations By Town

The towns that comprise RSU 19 agree to share costs based on each town's portion (percent) of total minimum local amounts required to be raised under the state's "Essential Programs and Services" (EPS) funding model. Each town's minimum amount is calculated by multiplying the town's state valuation of property by a state determined "mil rate" for education. For FY 2014, the mil rate for all RSU 19 towns is 7.86. Once each town's minimum is determined, the district takes each town's percent of the total (district) minimum to raise, and uses the percentages to calculate how to share any "additional" local money that may be required to support approved spending. The chart below compares approved town billings in 2012-13 to proposed town billings for 2013-14. If approved, the total local amount proposed for 2013-14 would be **UP SLIGHTLY**, by a total of **\$72,934.70 (or 0.9%)**.
