

DEVELOPMENT OF ADMINISTRATIVE RULES

The Superintendent shall specify required actions and design the detailed arrangements under which the district will be operated in accordance with Board policy. These detailed arrangements shall constitute the administrative regulations governing the district.

In the development of administrative regulations, the Superintendent shall involve at the planning stage those who would be affected by such rules including staff members, students, parents, and the public. The Superintendent shall weigh with care the counsel given by representatives of staff, students, and community organizations.

The Superintendent shall apply the policy which demonstrates the most appropriate procedure and report any such conflict to the Policy Committee.
