

MIDDLE LEVEL TEAM POLICY

The Board of Directors of RSU 19 believe that a well-rounded education includes multi-aspects of school, both curricular and co-curricular. In order to maintain equity within the District and allow as many students to participate, Middle Level athletics shall include grades 6-8, with an option for grade 5 students to participate in order to field a team.

Roster size for each team shall be minimally sufficient to field a team in the event of illness or injury and not so large that opportunity for individual participation is minimized.

Minimum size/Maximum team size within limits:

Soccer 13 – 20 Basketball 8 – 12 Softball/Baseball 12 – 15

If no B team is available, cuts will coincide with maximum team size per sport. Other cuts may be made to preserve the safety of the individual student.

Team membership is contingent upon meeting all standards for continued participation.
