Sebasticook Valley Middle School

September 22, 2017

From the Principal's desk...

Happy Fall to everyone! We enjoyed another summer-like week, but if you have started to look around, fall is definitely upon us! We were very excited to start our Wildcat Clubs today. Students had the opportunity to sign-up for a club they were interested in and today reported to the club. These clubs are a mix of grade 5-8 students with at least one teacher who is teaching them a skill or leading them in a high-interest and engaging activity. The variety of choices was fantastic and I have no doubt that all students enjoyed the time! Some examples were: Garden/Nutrition Club, Debate Club, Tech Club, Car Club, Community Club, Rock Painting Club, Quilting Club, and Strategic Games Club. We are excited to provide learning opportunities for students that can enrich their educational experience, but may not be in a "typical" middle school curriculum. A big thanks to everyone helping to make this a positive experience for the students!

Please return the dental health paperwork Monday if you plan on having your child seen by the dental health hygienists from Hometown Health Center. They will be here Monday.

Math Team

Box Tops Collection Time

Box Top Collections September 25 – 29! Remember to send in any Box Tops for Education coupons that you have cut from participating products. Each one is worth ten cents and the funds raised go directly to the grade level that turned them in. Funds are used for class trips, supplies, or other activities that directly benefit your child. This is the first of several drives we will be having, so please keep cutting these out. Thank you in advance for your help!
